

All British Day – Brisbane Management Manual

All British Vehicle

1. The vehicle shall be one of the following types:
 - A. Automobile/Car/4WD/AWD/SUV
 - B. Omnibus/Bus
 - C. Lorry/Truck
 - D. Motorcycle/Motorbike
 - E. Tractor
 - F. Steam Powered Road Vehicle
 - G. Bicycle/Tricycle/Pushbike
 - H. Military Vehicle

2. A vehicle entered for display at All British Day – Brisbane shall comply with any of the following criteria:
 - A. Built in the UK by a UK based company
 - B. Built in the UK by a non-UK based company either in their own factory or another manufacturers factory
 - C. Partially built in the UK and exported to another country for completion using additional components sourced from either the UK or the importing country
 - D. Built in the UK in kit form (CKD) and exported to another country for assembly using all UK sourced components or some components sourced from the importing country
 - E. Designed in the UK by a UK origin company but built in another country
 - F. Designed and built in another country by a subsidiary of a UK based company
 - G. A subsequent version, of a UK designed and or built vehicle, designed and built in another country
 - H. Designed and/or built in another country by a company now owning a company that was originally UK based and/or owned.

3. Replicas:

Eligibility does not automatically extend to replicas of vehicles that meet the above criteria. Eligibility of a replica vehicle will be determined by the organisers. The owner may be required to provide supporting documentation to assist with this determination and/or prove eligibility.
